Dear Parents / Carers, 4/09/2026

The first week back has flown by and it has been lovely to welcome all the children back to school. I hope everyone had a fantastic summer with their families and friends, and are now rested and ready to get back to school life. A very warm welcome to all our new pupils in the Nursery class and also to some new families joining our school community this term.
Please see below some general information:

Clwb Gofal and Breakfast Club
Clwb Gofal & Breakfast Club are open as usual and your child is more than welcome to attend every morning or some mornings if needed. Please ask Mrs Wright for a form if you haven't previously filled one in for Breakfast Club. Clwb Gofal will begin **at 8a.m. until 8.20 a.m**. when Breakfast club provision will take over with **last entry at 8.30 a.m.** There is a **daily cost of £1.50 per child** to be paid weekly in advance via Parentpay for the childcare element and for accessing Clwb Gofal. Without parental financial support we will be unable to provide this service, and therefore we would like to stress to parents that payment needs to be received within the week your child attends Clwb Gofal.

School Lunch
Every full-time child 4-11 years old are entitled to a free hot meal. Therefore, if your child is in Reception, Year 1, 2, 3, 4, 5 & 6 they can have a **FREE LUNCH** every day. There is no need to fill in any free school meals form but if you feel that you need more support with the cost of living etc then please apply through the county website as eligibility for free school meals could help you gain support through other grants and benefits.

Clothing and Physical Education
We kindly ask that everyone wear their school uniform.
Please also **label bags, coats and all clothing** including shoes, with your **child's name**. Thank you.

P.E. lessons will begin week beginning September 8th. The official uniform is black shorts, leggings or joggers and a red or white t-shirt. On these days children should come in wearing their PE kit but this must still include their school jumper. We do ask that children wear suitable clothing, plain – no logos, glittery tops, crop tops or jeans and **no football kits**
PLEASE LABEL ALL CLOTHES.

Swimming
Years 3, 4, 5 & 6 will be receiving daily swimming lessons from Monday September 14th until Friday 25th September at Llandudno swimming pool. They will need a one-piece costume and a towel. The transportation cost will be £30, (the fees for the hire of the pool and the instructors are paid for by school) however we do need the funds to be paid in by the start of the lessons as the bus company will need to be paid promptly. The swimming bus fee has now been added to ParentPay and you will be able to pay by instalments.

Resources

Every child will need to bring a full bottle of water to School every day. Bottles will be sent home every day for washing and will need to be returned to School refilled, the next day. Please ensure that they are labelled with your child's name. Please **do not send** squash or juice to school, only water. Thank you.

Every child will have their own resources such as pencils etc. in school therefore there is no need to send a pencil case to school thank you.
Please do not send toys to school (including fidget toys) as the temptation to share will be too great, which then causes issues to arise.

Snacks

Pupils are more than welcome to bring a fruit snack to school, or alternatively they can buy a piece of fruit from fruit shop for £1 for the week.

Please do not send any sweets, biscuits, crisps, sugary bars, cereal bars, chocolate covered fruit or fruit winders. Thank you.
We are a NUT FREE school so please do not send any nuts or nut-based items into school with your child as we do have pupils who are severely allergic to nuts. Thank you.

Attendance

Attendance and punctuality are essential to a child's education. Even short absences can affect their education.

We at Ysgol Glan Conwy are fully committed to ensuring that every child attending the school receives the best possible education and that they are supported to achieve their full potential.
Missing school undermines your child's opportunity to achieve their full potential. It's a fact that regular attendance increases children's opportunities to succeed at school. If children aren't attending school, they probably aren't learning! Good attendance clearly provides a sound foundation for a child's development. Regular school attendance is essential for a child's future success.

If you're having difficulties with your child's attendance, please contact us to discuss the matter. We're here to support you however we can.
We will be regularly tracking attendance and will contact you if we are concerned about your child's attendance. ***We will not consider authorizing any holidays unless your child's attendance is 94% or above, and even then, only in exceptional circumstances*** *(up to 5 days). If holiday absence is requested it must be sent to the school a month prior to the planned holiday.*
If your child is absent for any reason, it is essential that you contact the school as soon as possible by calling or sending in a letter of explanation.
